Marsh by Meteor Stargazing Event

Date and Time: Friday, August 12 11:00 am - 2:00 pm

Address: Wye Marsh Wildlife Centre, 16160 Hwy12, PO Box 100

Join us at Wye Marsh for stargazing, counting comets, and learning all about astronomy during the Perseid Meteor Shower! The Perseid Meteor Shower is known for its stunning fireballs and bright meteors. Many burn intensely with bright, persistent trails! Enjoy a memorable night on the boardwalk under a blanket of stars and watch the annual meteor shower erupt during this time of maximum meteor activity. Learn the moon, planets, constellations, star clusters and nebula, and then count shooting stars racing across the Earth's atmosphere at the peak of the Perseid Meteor Shower! Where: Wye Marsh Wildlife Centre When: Friday, August 12, 2022 (Rain Date is Saturday, August 13, 2022) from 11:00pm- 2:00am. How much: \$55.00 per participant. Who: Ages 13+. Youth under 16 must be accompanied by an adult. What to bring: Please bring your portable chair and binoculars, and pick your spot on the boardwalk. Pre-registration is required at: <https://www.wyemarsh.com/marsh-by-meteor>

Amphibian BioBlitz & Workshop

Date and Time: Saturday, August 13 10:00 am - 12:30 pm

Address: Wye Marsh Wildlife Centre

Frogs, skinks and salamanders - learn all about Ontario's amphibians! This workshop is run by well-known environmentalist Josh Feltham. It is designed to teach participants about amphibian ID, ecology, and then get out and put their skills into practice during a 1.5 amphibian BioBlitz hike at Wye Marsh. What to expect at this workshop: 1 hour – ID and ecology of Ontario Amphibians and Blitz Preparation (Indoor) The group will learn about amphibian ID and ecology so that they can plan an amphibian blitz. They will have access to maps that highlight different ecotypes and plan where they will go in an attempt to find as many amphibian species as they can in an

hour and a half. 1.5 hours – Amphibian Blitz (Outdoors) The group will “execute their plan” and work to photograph as many amphibian species as possible. This can be done as a social media event if participants have Instagram or Facebook accounts. They can post/share images and information using a designated hash tag. ~ Where: Wye Marsh Wildlife Centre ~ When: Saturday, August 13, 2022 from 10:00am - 12:30pm ~ How much: \$25.00 per participant. All materials are provided. ~ Who: Ages 10+. Youth under 16 must be accompanied by an adult. Pre-registration is not required but is encouraged. Please register using the PayPal link at <https://www.wyemarsh.com/amphibian-workshop?> We ask for your phone number in case we need to contact you with updates to the workshop. Note: You do not need a PayPal account, you can simply "check out as guest".

Invasive Phragmites Removal Event

Date and Time: Saturday, August 20 8:00 am - 4:00 pm

Address: Wye Marsh Wildlife Centre, 16160 Hwy12, PO Box 100

Help restore native wildlife habitat by removing invasive alien species at the Wye Marsh this summer. Join Wye

Marsh's Stewardship to learn how to safely remove invasive plants from the area. Invasive Phragmites is a perennial grass that has been damaging ecosystems in Ontario for decades. This alien species takes over shorelines and affects the growth of native plants and the habitat and/or food supply of many different species. Where: Wye Marsh Wildlife Centre's far access (directions and map to be provided upon registration) When: Saturday, August 20, 2022 - cohort times at 8:00am, 10:00am, 1:00pm, 3:00pm. Who: Anyone who would like to help. Youth under 16 must be accompanied by an adult. What to bring: Please bring your own spade, rubberized gloves, rubber boots, sunscreen, bug spray, hat and water. Participants can stay as long as they like. Give 30 minutes, an hour or more – and it WILL make a difference! Pre-registration is required by emailing hkeery@wyemarsh.com
